

Biscuit Taco Melts

Makes: 8

Ingredients:

- 1 package taco seasoning mix
- 2/3 cup water
- 1/2 cup salsa (as hot or as mild as you like)
- 1 lb lean ground beef (you could also use cooked, shredded chicken!)
- 1/2 can of refried beans (optional)
- 1 can (16.3 oz) Pillsbury Grands! refrigerated biscuits (any variety)
- 1 cup shredded Monterey Jack cheese or Mexican cheese blend

Directions:

Heat oven to 375°F.

In medium saucepan, cook ground beef and drain grease. Return beef to pan. Add taco seasoning, water, and salsa; simmer until thickened.

If you are using refried beans, heat them up according to package directions.

Press each biscuit into 6-inch round. Spread with refried beans (if using). Top each with taco mixture and cheese. Fold dough over filling and press with a fork to seal. Make sure they are well sealed because it will spill out! Place on greased cookie sheet.

Bake 9 to 14 minutes or until golden brown. Serve with salsa and sour cream.
